LETTER OF REFERENCE

It is with great pleasure that I write this reference letter in favor of Miss. Ighorojeh Okemute with **Applicant ID (21046032)**. I highly recommend her for the admission into the university of Bradford to further her academics in Project planning and management.

I have known Miss. Ighorojeh Okemute for seven years and I am proud to have served as her Lecturer in both undergraduate and postgraduate level in Computer Science. I watched Okemute grow into an outstanding woman who exceeds in both academic and personal pursuits

I witnessed her extraordinary ability to understand concepts and apply them in real world situations. I was not surprised with her decision to further in project planning and management as she has always shown excellent skills in project planning and design, software implementation and the analysis of every project given to her.

Okemute's academic accomplishments are rivaled only by her personal strengths. Her compassion and charisma are one to learn from and she is well loved by her peers as she is a great team member. She has never failed to exhibit the qualities of a good leader during team work as this has made her team members build so much confidence in her.

I highly recommend you accept Miss Ighorojeh Okemute for her chosen course of study because I believe this would be the beginning of a great career path for her. I am confident that she will make an excellent addition to Bradford's community.

Kindly contact me for any information that you may require to facilitate her admission process.
